KUDOKE
— GERMAN WATCHMAKING —

Inspired by the Sun & Moon which are highly regarded within the Islamic World and Arabian Culture as evident signs of God Almighty's greatness in creation and how such a creation furnishes mankind with the knowledge of measuring time, 10tenlabs® and Independent watchmaker Stefan Kudoke in their second collaboration proudly present the **Kudoke 2 Shams & Qamar Edition**, a one-off exclusive 11 pieces limited edition curated for the Middle East region and offered exclusively to 10tenlabs®'s community watch collector members.

القمر

الشمس

The Shams & Qamar Edition consists of a total of 11 timepieces. The first and single one being a Shams (Full Sun) and the remaining 10 pieces Qamar (Full Moon). The offering of the timepieces is exclusively sold to 10tenlabs® community members.

القمر

The KUDOKE 2 Qamar Edition is a unique timepiece curated with attention to detail and adds a lustrous **galvanic frosted black dial** with rhodinized rings, a **full moon engraving** rotating domed 24-hour disk at 12 o'clock, (Day / Night) chapter ring indicator with a sun and crescent, hindu numerals, polished hands, rhodinised Kudoke logo plate, 39mm case and an embellishing sandblasted PVD matte case.

القمر

The Qamar Edition subtly combines elements of Arabia and Kudoke's artistry and craftsmanship, this timepiece is manufactured by humans. From the hand-grinded surface of the movement bridge to the hand-engraved balance cock with 10:10 Labs branding one can perceive what makes a hand finished watch so special. The timepiece will house a Kaliber 1 - 24h, manual winding movement, serial numbered 1/10 and a frosted white rhodium plated movement bridge with (Qamar) being engraved in Arabic on the logo plate.

القمر

The KUDOKE 2 Qamar Edition will come with two (2) straps one being a black suede leather strap and the other an ostrich leather strap.

الشمس

The KUDOKE 2 Shams Edition is a unique timepiece curated with attention to detail and adds a lustrous **galvanic frosted black dial** with black pvd-coated chapter rings, a **full sun engraving (yellow gold plated)** rotating domed 24-hour disk at 12 o'clock, (Day / Night) chapter ring indicator with a sun and crescent, hindu numerals, yellow gold plated hands and Kudoke logo plate, 39mm case and an embellishing sandblasted PVD matt case.

الشمس

The Shams Edition chooses the color of the sun also on the movement side. The timepiece houses a Kaliber 1 - 24h, manual winding movement, serial numbered 0/10 with (Shams) being engraved in Arabic on the logo plate on the movement bridge as well as 10:10 branding on the balance cock.
